

# Foster Family Satisfaction Survey 2023

This survey was administered via a link provided to EA FFA parents. The satisfaction survey consists of fourteen items, nine of which are based on a 5-point Likert scale. Likert-scaled responses ranged from a high of five points to a low of one point (e.g., "Extremely satisfied" to "Not at all satisfied"). Two items were scored on a 3-point scale (e.g., "Yes, definitely" to "No"). Item 12 (Q12) is measured on a 0 - 10 rating system, which then defines answers into categories. These categories are as follows: Detractors (scores of 0-6), Passives (scores of 7-8), and Promoters (scores of 9-10). This survey ended with a sample size (n) of 59, up from 55 in 2022.
